## Profile

I am writing to apply for the position advertised in your organization.  
I enclose a completed job application, my certifications and resume.

The role is very appealing to me, and i believe that my strong technical experience, talent and education make me a highly competitive candidate for this position. My key strengths that would support my success in this position include:

- I have a corporate job experience.
- I strive continually for excellence.
- I am very enthusiastic about moving as a team and developing skills.
- I provide exceptional contributions to customer service for all customers.

With Bachelor Degree study in Computer Science and Management, I have a comprehensive understanding of the full lifecycle for many projects. I also have an enthusiasm in learning and applying new techniques or technologies as appropriate. Please see my resume for additional information on my skills and experience.

I can be reached anytime via e-mail at [aeugur52@gmail.com](mailto:aeugur52@gmail.com) or by cell phone,+48 730-023-031.  
Thank you for your time and consideration. I look forward to speak with you about this employment opportunity.  
Sincerely,

**AHMET ESAT UGUR**
